

PRODUCT DESCRIPTION

An entirely modern interpretation on the classic multi-tiered chandelier, Lariat features dramatically radiating arms in opposing directions. Using energy efficient LED technology, this artfully sculpted chandelier exemplifies intelligent luxury. Rings of LED illuminate frame hand crafted metalwork that is elegantly braided and gold leafed. The contrast of the Gold Leaf with a dark Bronze Gilt finish further enhances this contemporary piece. Thoughtful in design, the Lariat's swiveling canopy, adjustable arms and rotating heads, offers personal configuration with simple adjustments.
