

**PRODUCT DESCRIPTION**

A chic mix of materials with geometric form designed by Nina Magon, the Hourglass accent lamp is constructed of a solid Black marble conical base and a faceted cone shade inversely positioned at its apex. The shade, constructed of polished Rose Gold stainless steel, features an adjustable joint that allows you to position the light to your desired direction. Its striking shape creates a contemporary hourglass figure and utilizes interrelated concepts from fashion and home decor to create this stylish accent lamp.
