# PRODUCT DESCRIPTION

The alluring visual effect of a milky cloud marble glass provides elegant luminosity. Backlit with evenly diffused LED lighting the fixtures resonate like a vibrant musical note. The fixture is elongated with a vertical metal spike finished in Natural Aged Brass that hugs the glass' shape as it extends in both directions. These elements end in an angle-cut edge which adds visual contrast not only in color but in feeling. The sharpness of a clasp to the softer orb of the marbling white glass. An embodiment of lighting as a jewel, the Locket evokes both the opulence and sentimentality of designer accessories.
